

LETTERS FROM WOMEN About Pe-ru-na.

MRS. CLARA L. MILLER.

MRS. S. L. JEWELL.

MRS. MAHALA REID.

The following testimonials represent actual experience of every-day life. They are the truthful utterances of women who have been ill and have found a reliable remedy in Peruna.

It means a great deal to the women of America to have at hand a remedy capable of giving such relief. Constipation, rheumatism, kidney trouble, bronchitis and a host of other catarrhal conditions are relieved by Peruna. At least this is what the women say. They have no object in saying such things, except to render truthful testimony to their suffering sisters.

Peruna is making such friends every day. It is the testimony of the people that has made Peruna so justly famous.

Chronic Bronchitis.

Mrs. Clara L. Miller, Box 71, Columbia Sta., Seattle, Wash., formerly vice president of Skogay Country Club, writes: "Nine bottles of Peruna cured me of a protracted case of bronchitis. There is no superior remedy that I know of, as the action of Peruna on the vasa motor system of nerves is very beneficial. It increases the tone of the system and aids nature to perform her functions. "I have recommended it to a number of my friends, who speak in the same high terms of it. I have certainly found it a most efficacious medicine."

Nervous, Tired and Weak.

Mrs. Christina Smukalla, 490 Winslow Ave., Buffalo, N. Y., writes: "I trust every one suffering from systemic catarrh will read this and profit by it. "I was in a very bad condition indeed, when I began to take Peruna, and my friends as well as myself were very much alarmed over my condition. I was always nervous, could not sleep at night, my food did me no good, and I was always tired and weak. I tried several doctors, but found no relief. "Finally I took two bottles of Peruna and felt like a different woman. However, I did not stop there, but kept on with it until I had taken several bottles, when I felt completely cured, and have remained so ever since. I can eat and sleep now."

A Good Word for Pe-ru-na.

Mrs. S. L. Jewell, R. F. D. 1, Freeport, Pa., writes: "Having used Peruna myself for many years with beneficial effects, and observing the good it has done others of my acquaintance, I cannot but say a good word in behalf of Peruna."

Keeps Pe-ru-na in the House.

Mrs. Maria Goertz, Orienta, Oklahoma, writes: "My husband, children and myself have used your medicines, and we always keep them in the house in case of necessity. I was restored to health by this medicine, and Dr. Hartman's invaluable advice and books. People ask about me from different places, and are surprised that I can do all of my housework alone, and that I was cured by the doctor of chronic catarrh. My husband was cured of asthma, my daughter of earache and catarrh of the stomach, and my son of catarrh of the throat. When I was sick I weighed 100 pounds; now I weigh 140. "Dr. Hartman's remedies have proven to be reliable and wonderful. Their effect upon the system is remarkable. Peruna quiets the nerves, and is a great specific for all forms of chronic catarrh. "I am very glad to say that I can write you that I am cured in every way of catarrh, with which I had suffered terribly for ten years. I cannot thank you enough for your advice."

Constipation, Kidney Trouble.

Mrs. Mahala Reid, Corbyville, Ont., Canada, writes: "Your celebrated remedies have been a wonderful boon to me in my old age. I have not been in so good health for several years as now. "I was troubled with constipation, rheumatism and kidney trouble. A little over two years ago I completely lost my health, becoming almost helpless, when a dear friend sent me your remedies, Peruna and Manalin. "I began to take them, following the directions on the bottles. I very soon began to feel benefited by their use, and continued to take them. "I am now completely recovered from the above ailments, in fact, better than I have been for years past. "I cannot praise the remedies too highly and will always recommend them to others."

Pe-ru-na in Tablet Form.

For two years Dr. Hartman and his assistants have incessantly labored to create Peruna in tablet form, and their strenuous labors have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to one average dose of Peruna.

REVEALS PLOT IN CONFESSION

(Continued from First Page.)

from their beds shortly after 12 o'clock. They did not see him as he only went to the hotel to get a lunch to take with him out into the lake that night, as he intended to fish until morning. Burton said that immediately after getting this lunch he got into his boat and went out into the lake about a mile. He was fishing at the time the fatal shots were fired into Capt. Rankin's body and said that he heard them.

STORIES TOLD,

But Grand Jury is Not Legally Constituted.

Union City, Tenn., Oct. 23.—Disclosures of a startling nature were made yesterday by the special grand jury. Ten witnesses were examined.

Notwithstanding the great progress made by the authorities, they find themselves now confronted with a most serious proposition. The Tennessee Statutes specifically provide that when a special session of the grand jury is to be called to make any kind of an investigation, it is necessary to give notice thirty days in advance by publication in a newspaper published in the county where the special session is to be held. The thirty days' notice was not given here.

The grand jury refused to divulge the names of a single witness. This promise was made to the witnesses when they were summoned to testify. One witness, it is authoritatively stated, chanced to meet the night riders in the road between Walnut Log and Samburg the night they committed the Rankin murder. He was stopped by the right riders, and was told that he either must accompany them, becoming a party to the crime, or swear that he would never reveal anything of their movements. He refused to accompany them, and was made to take a fearful oath.

Many of the night riders were

recognized by this witness, who has lived in Obion county all his life and knows every man within its confines. He furnished their names to the grand jury to-day, and at the same time told the inquisitorial body that the night riders told him of what their plans were against the lives of Col. Taylor and Capt. Rankin. The witness was then miles from his home, and was afraid to stop at any of the neighboring houses.

WARNING NOTICES

Received by Citizens and Merchants.

Dickson, Tenn., Oct. 26.—Considerable excitement has prevailed in Dickson the past week from the fact that several warning notices have been received by citizens and merchants. Early in the week Gerhart & Sons were warned to close their business out and leave town, and T. Lovell was warned to insure his house if he did not care for total loss.

The parties that have been warned have prepared themselves and say that a warm reception will be given any who even try to play night rider in this section.

MASKS ON PRISONERS.

Crude Affairs Made From Meal Sacks Discovered.

Camp Nemo, Samburg, Tenn., Oct. 26.—Several crude masks made from meal sacks have been discovered on prisoners held at Camp Nemo. After a mask of this description was found on one of the prisoners taken by Maj. Bright Horton's mounted posse, a search of all prisoners in the guard house was instituted and two or more others were found. This is the first evidence of this character uncovered by the soldiers.

Sheriff Gets Orders.

Gov. Patterson is finding a way to make county officials perform their duties in the Reelfoot campaign, as is shown by this dispatch: "Sheriff Easterwood, of Obion county, has been severely criticized for his seeming lack of interest in

the investigation, and it has been openly charged that he is a sympathizer of the night riders.

"Gov. Patterson took him to task Thursday when he was at Camp Nemo, and spurred him into real activity. Sheriff Easterwood has been afraid, it is said, to make arrests without warrants, and has only done so under the positive orders of Gov. Patterson and Col. Tatom, the latter having entire charge of the investigation and night riding district."

MINISTER IS FINED

Rev. Walt Whitcomb Mulch—ed \$200 For Swearing Before Lady.

Atlanta, Ga., Oct. 26.—The State Court of Appeals to-day sustained the verdict of the lower court in the case against Rev. Walt Holcomb, the Cartersville, Ga., evangelist and son-in-law of the late Sam P. Jones, charged with using "profane, vulgar and obscene language in the presence of a female." The remarks which led to the indictment of Rev. Mr. Holcomb were delivered at a Sunday afternoon meeting at the Tabernacle in Cartersville which had been advertised for "men only." He was found guilty and fined \$200. The case was appealed and today's decision upheld that of the lower court.

BREACH OF PROMISE

Suit for \$10,000 Grows Out of Failure to Wed.

Mayfield, Ky., Oct. 26.—Miss Nora Gipson, daughter of J. H. Gipson, to-day filed suit for \$10,000 against J. H. Derrington for breach of promise. In her petition she claimed that for five years Derrington courted her and that they were engaged; that several times the date of their marriage was fixed, but that Derrington always called it off; that the last date fixed was October 18th, but that on that date he was quietly married in Mayfield to another woman, hence the suit. The couple are fairly well known.

CHAMP—Mr. R. E. Cooper has made a change in his offices on Main street, and the first room to the left of the main entrance to the Cooper building has been fitted up in convenient and up-to-date style for the tobacco business of the firm of W. Mr. Cooper has been left behind in the old room, which will soon be fitted up for the Meacham Contracting Co., of which Mr. Cooper is President.

DORITY—The sympathies of his hundreds of friends in Christian county go out to Alex Dority, of Pembroke, in the succession of calamities that have piled upon him this year. Three times he has been a heavy sufferer from the destructive fires that have wiped out a good part of the hustling little city. Just how much he has lost is hard to say, but he has the grit to pick his flint and come again and he will continue to be one of the leaders in every progressive step taken by Pembroke. The fires the town of Pembroke has suffered from have happily spared the business section, the property destroyed being factories and dwelling houses. Mr. Dority had \$3,000 insurance on his last fire, the loss being \$5,000.

She was 97 years of age and had been in seemingly good health up to the time of her death. She ate her dinner as usual and walked out in the yard shortly after 12 o'clock, and returned in a little while and sat down in a chair and died in ten minutes.

She had lived in the Casky neighborhood for many years. The burial will take place today in the vicinity.
